**DISABILITY RIGHTS**  
**DENVER HUMAN RIGHTS &**  
**COMMUNITY PARTNERSHIPS**

## **WE WANT TO HEAR FROM YOU!**

**The National Civic League is partnering with the Denver Division of Disability Rights to hold multiple listening sessions throughout Denver on accessibility of City and County facilities (parks, libraries, rec centers, government buildings, and more).**

**We want to hear from the disability community who may not regularly be heard from, including individuals with visible and non-visible disabilities and particularly from people of color with disabilities. We encourage loved ones, advocates, and organizations in the disability community to participate.**

These events can provide sign language interpreters and CART services. To access these services please contact [SignLanguageServices@denvergov.org](mailto:SignLanguageServices@denvergov.org) with at least a three (3) business days notice.

Please contact Keiva Hummel,  
NCL Civic Engagement  
Program Director,  
with any questions at

***Please stay tuned to the DDDR site for additional information!
